

Express Yourself...Maya Style

YOU...in a "Glyph-shot"

- 1 Come up with a word that describes what is best about you, and draw it in the center of the box provided.
- 2 How old are you? Write it Maya style on one side of the box. (Remember, one bar =5 years; one circle = 1 year)
- 3 What do you like to do? Pick two things and draw a picture of each two other sides.
- 4 What do you stand for? Kindness? Peace? Equality? Fun? Adventure? Truth? Draw a picture of that and put it on the last side.

You now have a glyph snapshot that tells your story—who you are and what you're about. Decorate it and display it proudly!
